

4 June 1981

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : Robert M. Gates

SUBJECT : Breakfast with Secretary Weinberger, 8 June 1981

The agenda for Friday's breakfast is as follows:

-- Net Assessments: This is the primary subject of the breakfast. John McMahon's paper on NFAC's position is at Tab A. It is a redraft of an earlier paper submitted to the DDCI and has been revised to accommodate his comments. (Point paper and background paper) (Tighe memo on this also at Tab A)

-- DOD HUMINT: Frank Carlucci's memo (when he was DDCI) to Harold Brown on this subject is at Tab C. I believe you want to ask him whether the DOD HUMINT proposal should be considered by a special working group and respond to the considerations set forth in his memorandum of 22 December.

-- E.O. 12036: While not an official agenda item, I am told that both Weinberger and Carlucci would be very interested in knowing the status of the Order.

-- (DDCI only) You wanted a reminder to tell Secretary Weinberger that Dr. Richard DeLauer, Under Secretary of Defense for Research and Development, has accepted the position of Chairman of the Intelligence Research and Development Council.
